## A VARIETY OF COVERAGE OPTIONS

- > New ESC: coverage for new engines
- > Advantage ESC: coverage for used engines
- > Overhaul Protection for Commercial (OPC) ESC: coverage for overhauled engines

## ESC BENEFITS

- > Protect your investment with coverage for parts and labor expense on covered components (less any applicable deductible)
- > Avoid unexpected repair costs caused by unscheduled repairs
- > Make sure repairs are done right the first time with factory-trained technicians using genuine Cat parts
- > Get back to work fast with engines performing at their best
- > Return your engine to its original operating specifications, meeting all requirements for safe use and environmental compliance
- > Choose from multiple levels of coverage to fit your budget
- > Combine ESC with a Customer Support Agreement for complete maintenance and repair protection

### WHY ESC?

- > **GLOBAL COVERAGE:** Our ESC is available everywhere—whether your industrial engine is stationary, in a single location or powering a machine that works around the world.
- > **LOCAL EXPERTISE:** Trained technicians at more than 2,500 Caterpillar authorized service locations have the experience, training and tools to repair your industrial engine quickly and accurately.
- > **EASE OF DOING BUSINESS:** Our pricing terms are simple, and you can customize coverage options to fit your individual needs.
- > **PEACE OF MIND:** When you choose ESC, you can be confident knowing your investment is protected by the power of Caterpillar.
- > **HISTORY OF PROTECTION:** Your Cat dealer is backed by Cat Financial—together, we've been providing product support through ESC programs to industrial engine customers since 1986.
