

2019 Component Plus Extended Warranty Coverage

Your operation depends on reliable engines. That's why you trust Cat® components. With Extended Service Coverage (ESC), you get additional coverage that's just as durable and long-lasting. ESC for **On-Highway Engine components** protects your investment and your peace of mind.

COMPONENT PLUS	Coverage for a number of on-highway engine or related components is available in 24-, 36- or 48-month terms from date of purchase. Can be combined with OPT or Precious Metals. Must register within 120 days after purchase. New short form to facilitate registration, which is NOT a replacement for current registration form.
