

## 20 Ton Air Conditioner (Entertainment Unit)

Our entertainment units (20 ton air conditioning units) are self-contained and provide conditioned air for indoor or outdoor rental applications. Units are sound attenuated and are equipped with high efficiency scroll-type compressors which allow for cold starting—no preheat required.

Applications:

- Temporary Structure
- Event Cooling & Optional Heating

### SPECIFICATIONS

Model .....	Stealth 20	Total shipping weight .....	2700 lbs
Dimensions		2 Duct connections at 19.25" each on top or wall mount connection	
Length.....	89"	Power supply.....	480 volt/3phase/ 60 HZ with ground
Width.....	37"		
Height.....	100"		

### TECHNICAL DATA

<b>Electrical Data</b>	
Breaker	125 amps
Cooling load	57 amps
Heating load	47 amps
Dehumidification load	95 amps
Connection	Cam-lock in/out for daisy chain set up
<b>System Control</b>	
Remote Temperature Control	Standard
Discharge air temperature control	Standard
Return air temperature control	Standard
<b>Fan Data</b>	
Design air flow/maximum air flow	10,000 cfm
Design total static pressure	3.25 in wg
Fan control	VFD
<b>Cooling Data</b>	
Design capacity	20 tons
Entering air temp (dry bulb/wet bulb)	90/70 °F
Leaving air temp (dry bulb/wet bulb)	63.5/59.6 °F
Coil construction	Copper Tube/Aluminum fins
Low ambient control	VFD
<b>Compressor Data</b>	
Type	2 X High Efficiency Scroll
<b>Electric Heat</b>	30 kW
