

# READY TO RUN... REMOTELY

## CAT® CONNECT SERVICES FOR **STANDBY** POWER APPLICATIONS

Ensure your mission-critical backup power system is ready for seamless startup with accessible data at your fingertips. Get Cat® Connect today to guarantee reliable power at the ready.

**Did you know your generator set needs three things to start?**

Battery health: ✓

Fuel: ✓

Fleet status: ✓

**Cat Connect gives you the ability to monitor and provides peace of mind with key alerts to show the status of:**

**Battery** – Dead batteries are the #1 reason for generator set failure.

**Fuel Level** – Track fuel level and dispatch truck when needed.

**Fleet Status** – Monitor engine control switch status to be ready for a power outage.

### CONSTANT CONNECTIVITY

Whether you are on the jobsite, in the office, or on the go, view your asset's:

- + Status
- + Location
- + Engine parameter
