

PREVENTATIVE MAINTENANCE. MADE EASY.

CAT[®] CVA

When you rely on Cat[®] equipment to get the job done, downtime is not an option. A Cat Customer Value Agreement (CVA) makes maintaining your Cat equipment a breeze.

Developed specifically for Cat customers, a CVA provides you with a personalized preventative maintenance schedule so you can focus on keeping your business moving forward and you have options to pay as you go or finance.

MANAGE COSTS

- Lock in your preventative maintenance costs for the length of your contract.
- Combine the cost of your CVA with your machine for one monthly payment.
- Pay with your Cat Card – the fast, easy way to pay for parts and service, wherever the job takes you.*
- Pay As You Go

*With credit approval for qualifying purchases made at participating dealerships

EQUIPMENT HEALTH MANAGEMENT

- S•O•SSM* fluid analysis helps operating costs and extend the lifespan of machine components.
- Monitor machine location, hours, critical faults and fuel level with your desktop or mobile device.
- Cat Inspect captures inspection data and integrates with your other Cat data systems. Your machine's data is accessible on the go – keep your operation running and your profits growing.

GENUINE CAT PARTS

- Genuine Cat parts are backed by the standard Caterpillar warranty.
- Cat filters capture harmful particles and keep systems clean so your machine can keep running.
- Cat fluids lubricate critical components to protect system performance for the long haul.

ON TIME, EVERY TIME

- Preventative maintenance service intervals help ensure the right Genuine Cat parts are delivered when and where you need them.
- A dedicated team monitors machine hours to help ensure on-time service scheduling, so you can focus on running your business.
- We understand how important it is to have your fleet running to it's best ability. If you have a two-year Customer Value Agreement (CVA) which includes all labor, we offer a response time of no more than 48 hours if your machine is down.
- Foley Guarantee - If we can't respond within 48 hours, you will receive a 10% labor discount on your machine repair.
