CATERPILLAR WARRANTIED PRODUCT

Genuine Cat new and Cat Reman parts are backed by our 12-month Caterpillar Limited Warranty⁴, so you can feel confident selecting a repair option through your local authorized Cat dealer.

And for even more peace of mind when your repair is completed by an authorized Cat dealer, consider this: If one of the genuine Cat new or Cat Reman parts used in your repair is proven to be defective and the cause of any resultant damage, not only would the Cat new or Cat Reman part be replaced, but any resultant damage⁴ to other Cat parts would also be covered.

PEACE-OF-MIND COVERAGE

Cat Reman heavy-duty engines come with a 24-month Caterpillar Limited Warranty⁴.

Cat Reman engine warranties cover:

- » All engine components for the entire warranty period
- » Parts and labor⁴ to replace defective parts, even if the original repair was not performed by a Cat dealer (assuming workmanship did not cause the failure)
- » Resultant damage⁴ caused by a covered component to other Cat engine components
- » Replacement of engine oil, coolant and filters if contaminated during a failure of a covered component⁴
- » All of the above at any authorized Cat dealer (not limited to the original selling or servicing dealer)

EXTENDED SERVICE COVERAGE (ESC)

U.S. and Canada only

Qualified components have available Component Plus ESC options up to 48 months. This coverage pays for parts and repairer labor charges for covered component failures due to defects in materials or factory workmanship under normal use and service.

Cat precious metals kits have available ESC options no matter if installed by an authorized Cat dealer or the do-it-yourself installer. ESC Terms for precious metals kit parts last up to 48 months from the purchase date. Should a kit part fail due to a defect in material or factory workmanship your authorized Cat dealer will replace it.

Cat Reman heavy-duty engines have ESC options up to 60 months.⁵

¹Repair options and component consists may vary by model. New content options not available for all models. Contact your authorized Cat dealer for details.

²Additional requirements apply. Contact your authorized Cat dealer for more information.

³Some exclusions apply

⁴Warranty can vary by model and application; limitations may apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.

⁵60-month coverage is available on heavy-duty Cat Reman engines, with a 500k mile limit. Contact your authorized Cat dealer for details.
