

# In-Shop Repower Program

## 2026 In-Shop Repower Program

- NAT-ENG-3302 (US) Jan 1 – June 30, 2026
- \$1000 OFF In-Shop Full Service TEPS
- MD, HD Only, Titanium Kits, and complete engines are eligible
- Long Block + Turbo/Turbos (if dual turbo application)
- Complete Reman Engine (including Reman with New Content)

- Long block & Cat Reman engine are often a better repair solution for a customer vs. 3<sup>rd</sup>/4<sup>th</sup> overhaul due to engine age
- Long Blocks & Cat Reman engines populate the market for long term opportunity
- Shop capacity relief – long blocks and engine are fewer hours and enables faster customer uptime
